

Final Program 8th European Congress on Violence in Clinical Psychiatry “New horizons in interdisciplinary approaches”

Wednesday 23 October 2013

09.00 – 18.00	Registration				
Room	Baekeland 1	Baekeland 3			
10.00 – 13.30	Pre-Congress Workshop 1 <i>Dr. Frans Fluttert (Netherlands):</i> The black box of aggression unravelled: The application of the Early Recognition Method	Pre-Congress Workshop 2 <i>Dr. Michiel de Vries Robbé & Dr. Vivienne de Vogel (Netherlands):</i> Assessment of protective factors for violence risk: The SAPROF			
13.30 – 14.30	Lunch on one's own				
Room	Baekeland 1	Baekeland 3			
14.30 – 18.00	Pre-Congress Workshop 3 <i>Mr David Jones (UK):</i> Violence in the workplace: An endemic but not an inevitable problem of 21 st century healthcare delivery	Pre-Congress Workshop 4 <i>Dr. H.P.B. Lodewijks (Netherlands):</i> Improvement of risk assessment and risk management in violent youth using the SAVRY			

Thursday 24 October 2013

08.00 – 18.00	Registration			
08.00 – 09.00	Setting up Poster Display and Exhibition			
09.00 – 18.00	Poster Display and Exhibition			
Room	Auditorium			
09.00 – 09.45	<p>Opening & Welcome by <i>Henk Nijman, Tom Palmstierna, Roger Almvik & Bart Thomas (chairs)</i> <i>Jo Vandeurzen, Vlaams Minister van Welzijn, Volksgezondheid en Gezin</i> <i>Prof.Dr. Eric Mortier, afgevaardigd bestuurder UZ Gent</i> <i>Country flag parade by Nico Oud (Organiser)</i></p>			
09.45 – 10.30	<p>Keynote 1: Risk Assessment of Spousal Violence: What approach should we use? <i>Prof. Henrik Belfrage (Sweden)</i> <i>Chair: Tom Palmstierna</i></p>			
10.30 – 11.00	<p>Keynote 2: Assaulting behaviour: a personal story about the violence no one should experience at work <i>Ms. Kelly Mclean (USA)</i> <i>Chair: Tom Palmstierna</i></p>			
11.00 – 11.30	Break			
11.30 – 12.00	<p>Keynote 3: Compulsive Care: Measures taken in regard to people who have been interned and others in need of care <i>Mr. Christiaan Decoster (Belgium – Ministry of Health):</i> <i>Chair: Bart Thomas</i></p>			
12.00 – 12.45	<p>Keynote 4: Neurobiology of aggressive behaviour: about wild horses and reins <i>Prof. Dr. Kurt Audenaert (Belgium)</i> <i>Chair: Bart Thomas</i></p>			
12.45 – 14.15	Lunch (Banquet Room)			

Parallel Session 1 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Symposium: Training in the management of aggression (part 1) <i>Chair: Adriana Mihai (Romania)</i>	Symposium: USA / MEXICO (part 1) <i>Chair: Marie Leiner (USA)</i>	Advances in epidemiology, nature & cross-cultural aspects <i>Chair: Sabine Hahn</i>	Advances in neurobiological & pharmacological approaches <i>Chair: Chris Bervoets</i>	Training and education of staff <i>Chair: Joy Duxbury</i>
14.15 – 14.45	<i>Jon Snorrason, Gudmundur Saevar Saevarsson & Hilmar Thor Bjarnason (Iceland):</i> Experience of staff using manual restraint techniques	<i>Marie Leiner & Cecilia De Vargas(USA):</i> Effects of collective violence attributed to organized crime in a border community USA/MEXICO	<i>Lateef Olayanju, Raouf Naguib, Quynh Nguyen, Rajeev Bali, Olabode Kayode (UK):</i> Violence against women in Nigeria: prevalence and help-seeking behaviour	<i>Chris Bervoets, Jurgen De Fruyt, Hella Demunter, Barry Dekeyser & Manuel Morrens (Belgium):</i> Do we need guidelines in rapid tranquilisation? A survey on prescribing preferences in Belgian psychiatrists and emergency doctors	<i>Miriam Zwitter (USA):</i> Violence in the health care setting: empowering nursing students through the use of de-escalation training
14.45 – 15.15	<i>Adriana Mihai, Lajos Dokomos, Raluca Tirintica, Alina Radu & Aurel Nirestean (Romania):</i> Training in management of aggressive behaviour – experience in Romania	<i>Marie Leiner, C. Avila & Cecilia De Vargas (USA):</i> Children's mental health and collective violence: a bi-national study on the USA / Mexico border	<i>Lateef Olayanju, Raouf Naguib, Quynh Nguyen, Rajeev Bali, Olabode Kayode (UK):</i> Assessment of the risk factors affecting intimate partner violence in Nigeria	<i>Hiroko Kashiwagi, Noriomi Kuroki, Naotugu Hirabayashi & Manabu Ikeda (Japan):</i> Neuropsychological Features and Psychosocial Backgrounds among Schizophrenia Patients with a History of Serious Violence in Japan	<i>Stéphane Guay, Richard Boyer, Juliette Jarvis & Natasha Dugal (Canada):</i> Evaluation of changes in perceived self-efficacy in managing patient aggression after completing workplace prevention training
15.15 – 15.45	<i>Julian Beezhold (UK):</i> Reducing violence in acute inpatient psychiatry	<i>Maria Theresa Villanos, Cecilia De Vargas & Marie Leiner(USA):</i> Young children's mental health in a community affected by collective violence: a binational study	<i>Giovanni de Girolamo, Valentina Candini, Chiara Buizza, Clarissa Ferrari, Gian Marco Globbio, Paolo Maggi, Stefania Greppo & Maria Elena Boero (Italy):</i> Mental illness and violence: A comparison between formerly and never violent patients living in residential facilities		<i>Lois Moylan & Sharon Cialo (USA):</i> Integration of the audio-visual Moylan Assessment of Progressive Aggression Tool (MAPAT) in a USA state-wide training program of mental health workers
15.45 – 16.15	Break				

Parallel Session 1 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Ethical & Legal aspects <i>Chair: Kevin McKenna</i>	Innovative strategies for reducing coercion <i>Chair: Henk Nijman</i>	Workshop	Workshop	
14.15 – 14.45	<i>Piyush Pushkar (UK):</i> Violence as Event: What does it mean and for whom? A review of the anthropological literature	<i>Natalie Hammond & Amanda Pithouse (UK):</i> Violence reduction in inner-city adult acute mental health wards - 'A SCRiPT for Safety'	<i>Katie Bailey & Michael Jennings (UK):</i> Lack of insight: no longer a bar to forensic rehabilitation	<i>Bob Bowen & Pat Risser (USA):</i> Strengthening the pavement of good intentions: ethical and legal implications of restraint and seclusion strategies	
14.45 – 15.15	<i>Hanna Tuveesson (Sweden):</i> Factors associated with the perception of Angry and Aggressive Behavior among psychiatric nursing staff	<i>Thijs Beckers & André Merks (Netherlands):</i> The effect of physical space on aggression in psychiatry			
15.15 – 15.45	<i>Isabelle Jarrin, Marie Edwards & Elaine Mordoch (Canada):</i> The place of ethics in mental health nurses' clinical judgment in the use of seclusion	<i>Duncan Stewart & Len Bowers (UK):</i> The Safewards Model and Cluster RCT			
15.45 – 16.15	Break				

Parallel Session 2 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Symposium: Training in the management of aggression (part 2) <i>Chair: Adriana Mihai (Romania)</i>	Symposium: USA / MEXICO (part 2) <i>Chair: Marie Leiner (USA)</i>	New directions: risk assessment – prevention & protective factors <i>Chair: Roland van de Sande</i>	New directions in risk prevention & protective factors and other related themes <i>Chair: Richard Whittington</i>	Ethical & Legal aspects <i>Chair: Kris Goethals</i>
16.15 – 16.45	<i>Cristian Damsa & Adriana Mihai (Switzerland):</i> The training impact on management of agitation	<i>Cecilia De Vargas, Marie Leiner & David Briones (USA):</i> Impact of collective violence on children's health: a systematic review	<i>David Cooke (UK):</i> Institutional risk processes for violence: institutions viewed through the PRISM	<i>Virgil Hancock (USA):</i> 250 years in the psychiatric management of violent behaviour	<i>Joke Harte & Mirjam van Leeuwen (Netherlands):</i> Reporting violence in psychiatry to the police or not; research on the decisive factors
16.45 – 17.15	Plenary discussion	<i>Cecilia De Vargas (USA):</i> Impact of collective violence on a 12 year old boy from Mexico treated in the USA – An interdisciplinary approach	<i>Roland van de Sande, Henk Nijman, Eric Noorthoorn, Andre Wierdsma, Edwin Hellendoorn, Cees van der Staak & Niels Mulder (Netherlands):</i> Structured short term risk assessment and caring for patients in crisis. An overview of empirical research and risk management practice development in acute psychiatric wards in the Netherlands	<i>Richard Whittington, Johan Håkon Bjørngaard, Andrew Brown, Rajan Nathan & Stephen Noblett (UK):</i> Dynamic relationship between multiple START assessments and violent incidents over time	<i>Maria Baby (New Zealand):</i> Mental health nurses' experiences of patient assaults
17.15 – 17.45	Plenary discussion	<i>Cathy Gaytan & Cecilia De Vargas (USA):</i> Evidence based assessment instruments and treatment interventions in children and adolescents with violence related problems	<i>Geoffrey Dickens, Laura O'Shea, Fiona Mason, Marco Picchioni (UK):</i> All things being equal? Predictive validity of the HCR-20 among heterogeneous groups of secure psychiatric inpatients	<i>Valerie Isaak, Hava Kostisky, Dor Bar-Noy, Shmuel Hirschmann & Alexander Grinshpoon (Israel):</i> A project for the reduction of staff injuries caused by patient aggression	

Parallel Session 2 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Specific population: forensic <i>Chair: Roger Almvik</i>	Workshop	Workshop	Workshop	
16.15 – 16.45	<i>Akihiro Shiina, Masaomi Iyo, Akira Yoshizumi & Naotsugu Hirabayashi (Japan):</i> Involuntary hospitalization for offenders with mental disorders in Japan	<i>Gregory M. Smith & Alexandria A. Windcaller (USA):</i> Successful seclusion & restraint reduction in a large civil & forensic mental health system 2000-2010	<i>Øyvind Thomassen, Hilde Dahl & Eivind Myhre (Norway):</i> The mental machine – perspectives on high security asylums in the 20th Century	<i>Bob Bowen (USA):</i> Doing what we know when we know it: translating research into practice	
16.45 – 17.15	<i>David Pulsford, Joy Duxbury, Karen Wright & Anthony Crumpton (UK):</i> A Survey of Staff and Patient Attitudes towards Aggression in a United Kingdom High Secure Hospital				
17.15 – 17.45					
18.30 – 20.30	Welcome reception at the Town Hall Pacification Room * Alderman of the city of Ghent: Mr. Resul Tapmaz * Chair of the EViPRG: Roger Almvik * Chair local committee: Bart Thomas * Congress Organiser: Nico Oud				

Friday 25 October 2013

08.00 – 18.00	Registration				
09.00 – 18.00	Poster Display and Exhibition				
Room	Auditorium				
09.00 – 09.45	Keynote 5: The Anatomy of Violence: The biological roots of crime <i>Prof. Adrian Raine (USA)</i> <i>Chair: Henk Nijman</i>				
09.45 – 10.30	Keynote 6: A review of theories of restraint-related deaths in the UK <i>Prof. Joy Duxbury (UK)</i> <i>Chair: Henk Nijman</i>				
10.30 – 11.00	Break				

Parallel Session 3 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Specific population: forensic <i>Chair: Tom Palmstierna</i>	Sexual offending & aggression <i>Chair: Frans Fluttert</i>	New directions: risk assessment – prevention & protective factors <i>Chair: Mary Johnson</i>	Other related themes <i>Chair: Patrick Callaghan</i>	Ethical & Legal aspects <i>Chair: Peter Lepping</i>
11.00 – 11.30	<i>Andrea Livesey & Geraint Lewis (UK):</i> Applying clinical formulation to reduce violence and support recovery in an adult forensic psychiatric service: the specific needs of patients with neurocognitive deficits	<i>Carrie M. Carretta, Ann W. Burgess & Rosanna F. DeMarco (USA):</i> To tell or not tell	<i>Vivienne de Vogel, Jeantine Stam, Eva de Spa & Michiel de Vries Robbé (Netherlands):</i> Violence risk assessment in women: results from a Dutch multicentre study	<i>John Parkes (UK):</i> Potential lethality of restraint in seated positions: case examples and experimental measurement of lung function.	<i>Kevin Murray, Matthew Wilding & Jayne Payne (UK):</i> Impact of prosecution for violence in hospital on continuing rate of violence and staff safety
11.30 – 12.00	<i>Michael Lewis, Jane Ireland, Janice Abbott & Caroline Mulligan (UK):</i> Understanding clinical psychopathy: Exploring cognitive and affective functioning and developing a new self-report measure	<i>Carrie M. Carretta & Sheila H. Ridner (USA):</i> The influence of perpetrator type to psychological health outcomes in victims of rape	<i>Didier Camus, Mehdi Ghloam Rezae, Jean-Phillippe Dufion, Jean-Michael Kaision, Valérie Moulin & Nicolas Khüne (Switzerland):</i> Using the SOAS-R scale in the Psychiatric Department of the Lausanne University Hospital (DP-CHUV): lessons and limits after five years	<i>Michael Polacek & Lori Kessler (USA):</i> Does a Patient-Directed Admission Process Reduce Violence?	<i>Peter Lepping & Raveesh BN (UK):</i> Overvaluing autonomy
12.00 – 12.30	<i>Vicente Vazquez-Vera & Juan Jose Sanchez-Sosa (Mexico):</i> Neuropsychological executive functions as predictors for response to treatment in violent offenders	<i>Sara Jones (USA):</i> Male sex offenders' capabilities to meet their goals: an explanatory model of sexual offending	<i>Katrien de Ponti (Netherlands):</i> The importance of analysing aggression incidents for preventing violence: using a pack of cards based on PRISM	<i>Virgil Hancock (USA):</i> 250 Years of psychiatric diagnoses and violent behaviours	<i>Donald Lyons (UK):</i> “Zero tolerance” of violence in mental health care: practice guidance in Scotland

Parallel Session 3 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Innovative strategies for reducing coercion <i>Chair: Johan Hakon Bjorngaard</i>	Workshop	Workshop	Workshop	
11.00 – 11.30	<i>Minco Ruiter (Netherlands):</i> Specialists in de-escalation: the de-escalation supporter	<i>Brian Van Brunt (USA):</i> The Structured Interview for Violence Risk Assessment (SIVRA-35)	<i>Gregory M. Smith (USA):</i> Psychiatric use of unscheduled medications in the Pennsylvania state hospital system: effects of discontinuing the use of P.R.N orders	<i>Nellie Visantiadou-Parintas (Greece):</i> Action methods in working with anger and rage in individual and group therapy	
11.30 – 12.00	<i>Isabelle Jarrin, Debbie Frechette & Patrick Griffith (Canada):</i> Leading the way: how an organization's leadership promotes least restraint in a Canadian psychiatric hospital				
12.00 – 12.30	<i>Elizabeth Wiese, Simone Vlek, Thom Piethaan, Chantal de Koning, Marnou van den Berg, Carina Bruin, Laurens van Gestel, Irma Janssen, Wendy van Vlerken, Daida Voorneman, Josephine Zelleke & Ernest Franken (Netherlands):</i> Conflict management program: fidelity scale in psychiatric care				
12.30 – 14.00	Lunch (Banquet Room)				

Parallel Session 4 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Symposium on intellectual disability <i>Chair: John Taylor (UK)</i>	Debate about the report of the special UN rapporteur on torture (part 1)	New directions: risk assessment – prevention & protective factors <i>Chair: Michiel de Vries Robbé</i>	Sexual offending & aggression <i>Chair: Jon Snorrason</i>	Specific population: forensic <i>Chair: Pia Wismer Kielberg</i>
14.00 – 14.30	<i>John Taylor (UK):</i> Personality Assessment in Offenders with Intellectual Disabilities: Associations with Personality Disorder, Clinical Engagement and Aggression	<i>Brodie Paterson (UK) & Kevin MckKenna (Ireland)</i> will moderate a special debate in response to the report of the special UN rapporteur on torture and other cruel, inhuman or degrading treatment or punishment in health care settings	<i>Murat Emul, Husrev Demirel, Dilek Yesilbas, Erhan Yuksek, Suheyla Aliustaoglu & Ismail Ozver (Turkey):</i> Facial emotion recognition and crime trends in patients with bipolar affective disorder	<i>Sandra Thomas, Kenneth Phillips & Mary Gunther (USA):</i> Childhood narratives of perpetrators who sexually abuse children	Inge Jeandarme, Ciska Wittouck, Freya Vander Laenen, Jan De Varé, Yves Grouwels, Michèle Ampe & T.I. Oei (Belgium): Disciplinary infractions in three Flemish forensic institutions: prevalence and judicial reaction
14.30 – 15.00	<i>Bruce Gillmer (UK):</i> Intellectual Disability, Alcohol Misuse and Risk for Violence		<i>Ellen van den Broek, Michiel de Vries Robbé & Vivienne de Vogel (Netherlands):</i> Translation of risk assessment to risk management. Challenges and solutions	<i>Mary Gunther, Sandra Thomas & Kenneth Phillips (USA):</i> Childhood sibling and peer relationships of perpetrators who sexually abuse children	<i>Derith Harris (Australia):</i> Working in forensic mental health
15.00 – 15.30	<i>Raymond Novaco & John Taylor (USA):</i> Anger Treatment Gains and Violence Reductions		<i>Mirjam van Leeuwen & Joke Harte (Netherlands):</i> Violence on the ward: Characteristics of mental health professionals who have an increased risk of becoming victim of inpatient violence	<i>Jane Gilgun (USA):</i> A research-based model of the meanings of violence to perpetrators	
15.30 – 16.00	Break				

Parallel Session 4 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Specific population: forensic <i>Chair: Ana Putkonen</i>	Workshop	Workshop	Special Workshop (1) (part 1)	
14.00 – 14.30	<i>Dor Bar Noy (Israel):</i> Ethical issues regarding psychiatric inpatients necessitating prolonged seclusions	<i>Diana Polhuis, Hans Kruike-meier, Wendy Kamp & Ben Lijten (Netherlands):</i> Meeting the complex needs of intellectual disabled people with forensic psychiatric problems	<i>Joanne Skellern & Andrew Lovell (UK):</i> Development of a training DVD for analysis of incidents of violence and aggression	<i>Bob Bowen (USA):</i> Corporate Culture Change	
14.30 – 15.00	<i>Ian Tracey (Australia):</i> Aggressive Behaviour Management Training in a High Secure Mental Health Facility				
15.00 – 15.30	<i>Karen Wright, Joy Duxbury, Tony Crumpton & Alison Baker (UK):</i> A study into attitudes towards violence and aggression in a high security hospital				
15.30 – 16.00	Break				
15.30 – 18.00	Museum Dr. Guislain tour				

Parallel Session 5 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Workshop on anger treatment <i>Chair: John Taylor (UK)</i>	Debate about the report of the special UN rapporteur on torture (part 2)	New directions: risk assessment – prevention & protective factors <i>Chair: Lars Kjellin</i>	Specific populations: child & adolescent <i>Chair: Osmo Vuorio</i>	Innovative strategies for reducing coercion <i>Chair: Adriana Mihai</i>
16.00 – 16.30	<i>John Taylor & Raymond Novaco (UK):</i> Anger Treatment: Case Formulation and the Stress Inoculation Approach	<i>Brodie Paterson (UK) & Kevin MckKenna (Ireland)</i> will moderate a special debate in response to the report of the special UN rapporteur on torture and other cruel, inhuman or degrading treatment or punishment in health care settings	<i>John Olav Roaldset & Stål Bjørkly (Norway):</i> The incremental validity of a bio-psycho-social approach for violence risk assessment	<i>Paola de Rose, Flavia Cirillo, Francesco Demaria, Fortunata Salvaguardia, Paola Bergonzini, Maria Pia Casini, Deny Menghini & Stefano Vicari (Italy):</i> Short-term psycho-pathological effects on children and adolescents who have suffered different forms of abuse	<i>Hamp Harmsen (Netherlands):</i> National guideline for physical restraint in the Netherlands
16.30 – 17.00			<i>Paul Doedens & Jolanda Maaskant (Netherlands):</i> Nurses' contribution to prevent seclusion in acute mental health care – a prognostic study protocol	<i>Therese Aström (Sweden):</i> Risk assessments in clinical practice: can training in structured assessment methods improve social service evaluations of delinquent youths?	<i>Virgil Hancock (USA):</i> A new managed care model in emergency psychiatry: The crisis response centre of Tucson, Arizona, USA
17.00 – 17.30			<i>Bjarne Dahl & Thor Egil Holskog (Norway):</i> 'The conversation room' experience with reducing coercive measure		<i>Minco Ruiter (Netherlands):</i> No more solitary confinement! One to one guidance to restore connection with the patient during coercion and confinement

Parallel Session 5 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Workshop	Workshop	Workshop	Special Workshop (1) (part 2)	
16.00 – 16.30	<p><i>Brian Van Brunt (USA):</i> Dark Knight: Donning the Archetype – looking at motivations through case studies of rampage violence</p>	<p><i>Peer van der Helm, Petra Schaftenaar & Elvira van Wirdum (Netherlands):</i> The enduring myth of the "violent client", living group climate and aggression in a forensic psychiatric setting</p>	<p><i>Cheryl A. Kennedy (USA):</i> Universal Behavioural Precautions: The development of a psychiatric hospital crisis response team</p>	<p><i>Bob Bowen (USA):</i> Corporate Culture Change</p>	
16.30 – 17.00					
17.00 – 17.30					
19.30 – 22.30					Congress Dinner

Saturday 26 October 2013

08.00 – 17.00	Registration				
09.00 – 15.00	Poster Display and Exhibition				
Parallel Session 6 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Symposium: New directions in the assessment of risk, prevention & protective factors (part 1) <i>Chair: Joy Duxbury (UK)</i>	Symposium: From building to body – predicting aggression on different levels (part 1) <i>Chair: Henk Nijman</i>	New directions: risk assessment – prevention & protective factors <i>Chair: Vivienne de Vogel</i>	Specific populations: intellectual disability <i>Chair: Hans Hovens</i>	Training and education of staff <i>Chair: Mojca Dernovsek</i>
09.00 – 09.30	<i>Joy Duxbury (UK):</i> An exploration of the broader and applied concept of clinical aggression across a spectrum of healthcare and related settings: translating measurement, prevention and management evidence into practice	<i>F. van Dijk (Netherlands):</i> From building to body – reflections on triggers of violent behaviour on various levels	<i>Margo Faay (Netherlands):</i> Kennedy Axis V: clinimetric properties assessed by mental health nurses	<i>Klaus Drieschner (Netherlands):</i> Risk factors for inpatient aggression by adults with intellectual disabilities and severe challenging behaviour: a long-term prospective study	<i>Amal Fahoum-Taha (Israel):</i> Violence against children: raising awareness amongst Arab women students
09.30 – 10.00	<i>Sabine Hahn (Switzerland) & Joy Duxbury (UK):</i> Toward comparable approaches and consistent instruments in the research field of clinical aggression and coercion	<i>E. Noorthoorn, P. van der Schaaf, W. Janssen & H. Nijman (Netherlands):</i> Predicting the use of seclusion on the basis ward design features, patient characteristics, and staffing variables	<i>Michiel de Vries Robbé, Vivienne de Vogel & Ellen van den Broek (Netherlands):</i> Dynamics in risk assessment: change in risk and protective factors during treatment	<i>Juliet Hockenfull & Richard Whittington (UK):</i> The effectiveness of risk assessment tools for adults with intellectual disabilities: A systematic review	<i>Thor Egil Holtskog (Norway):</i> “When experienced psychiatric nurses handle high risk of violence” – An elucidation of experienced psychiatric nurses’ experience of nursing in dealing with a high risk of violence
10.00 – 10.30	<i>Bridget Hamilton (Australia):</i> Patient factors related to incidents of aggression and code grey events in medical-surgical hospital settings	<i>E. Kuijpers, H. Nijman & P. de Looff (Netherlands):</i> Predicting aggression on the basis of changes in electrodermal activity of forensic psychiatric patients?	<i>Mary Johnson & Kathleen Delaney (USA):</i> Development of Combined Assessment of Psychiatric Environments (CAPE) profiles - psychiatric inpatient version	<i>Bert ter Mors (Netherlands):</i> Evaluation of Electrical Aversion Therapy (EAT) for aggressive and sexual inappropriate behaviour after acquired brain injury: Two Single Case Design studies	<i>Jaroslav Pekara & Marie Treslová (Czech Rep):</i> The experiences with nurses trainings concerning prevention of violence in the Czech Republic in years 2010 - 2013
10.30 – 11.00	Break				

Parallel Session 6 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Specific population: forensic <i>Chair: Aila Vokkolainen</i>	Workshop	Workshop	Special Workshop (2) (part 1)	
09.00 – 09.30	<i>Christian Delcomyn Steffensen & Steen Madsen (Denmark):</i> Frequency of relapse in challenging behaviour in forensic patients. Special care unit vs. traditional care unit	<i>Warrick Brewer & Brendan Murphy (Australia):</i> Engaging and managing angry young men: a six-session intervention	<i>Gregory M. Smith & Alexandria A. Windcaller (USA):</i> The psychiatric emergency response team process: a non-violent approach to supporting people in crisis	<i>Bob Bowen (USA):</i> Supporting People with Complex Behavioural Profiles: Integrating Neurosensory, Psychological, and Behavioural Methodologies to Support People, Not Just Their Behaviours	
09.30 – 10.00	<i>Nutmeg Hallett (UK):</i> Patient involvement in planning for the prevention and management of aggression and violence				
10.00 – 10.30	<i>Nutmeg Hallett (UK):</i> What are we doing to de-escalate? Inpatient staff views on de-escalation				
10.30 – 11.00	Break				

Parallel Session 7 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Symposium: New directions in the assessment of risk, prevention & protective factors (part 2) <i>Chair: Joy Duxbury (UK)</i>	Symposium: From building to body – predicting aggression on different levels (part 2) <i>Chair: Henk Nijman</i>	New directions: risk assessment – prevention & protective factors <i>Chair: Satu Kuivalainen</i>		Application of new technology <i>Chair: Olavi Louheranta</i>
11.00 – 11.30	<i>Sanaz Riah (Canada):</i> An organisational approach to reducing coercive practice in a Canadian mental health hospital	<i>H. Nijman, A. Zaalberg, E. Bulten, A. Wouters, C. van der Staak & J. Wielders (Netherlands):</i> Predicting violence and psychopathology in forensic patients with diet related blood parameters?	<i>Nadine Troquete, Rob van den Brink, Harry Beintema, Tamara Mulder, Titus van Os, Robert Schoevers & Durk Wiersma (Netherlands):</i> Prediction and prevention of violent recidivism through risk assessment with the Short Term Assessment of Risk and Treatability (START)		<i>Marjolein van der Zwaag, Murray Gillies, Juergen Vogt, Erik Kuijpers, Cor Datema, Wang Long Li & Elke Daemen (Netherlands):</i> Ambient healing environment design for an acute psychiatric ward
11.30 – 12.00	<i>Marie Gerdzt, D. Catherine & V. Dearie (Australia):</i> Evaluating the outcomes of a clinical aggression prevention training program in practice	<i>A. Bousardt, J. Hummelen, E. Noorthoorn, M. Overduin & H. Nijman (Netherlands):</i> Predicting aggression by the assessment of clinical risk factors and self-reported impulsivity in subgroups of forensic psychiatric patients	<i>Marja de Schutter & Hein Lodewijckx (Netherlands):</i> Psychiatric patients need a more active role in managing their own aggression		<i>Tess Speelpenning, Marjolein van der Zwaag, Murray Gillies, Cor Datema & Erik Kuijpers (Netherlands):</i> Creating a user interface for staff to control ambient healing environments in acute psychiatric wards
12.00 – 12.30	Plenary discussion	Plenary discussion	<i>Alina Haines, Richard Whittington, Andrew Brown, Stephen Noblett & Taj Nathan (UK):</i> Prospective validity of the Structured Assessment of Protective Factors (SAPROF) instrument for violence		

Parallel Session 7 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Workshop	Symposium Focus on India <i>Chair: Peter Lepping</i>	Workshop	Special Workshop (2) (part 2)	
11.00 – 11.30	<p><i>Anneke Goudriaan, Rien Van, Tatijana Malesevic, Martijn Kikkert, Jan Neeleman, Monique Staats, Liselotte de Mooij, Matthijs Blankers & Jack Dekker (Netherlands):</i></p> <p>Streetwise, Self-wise, Other-wise: a novel intervention to diminish victimisation in psychiatric patients with substance use disorders</p>	<p><i>Peter Lepping & BN Raveesh(UK/ India):</i></p> <p>The Mysore Declaration</p>	<p><i>Edward Kudding & Hans Fleury (Netherlands):</i></p> <p><i>Physical training:</i></p> <p><i>Human Defence System (HDS)</i></p> <p><i>(Menselijk Verdedigingssysteem) (MVS)</i></p>	<p><i>Bob Bowen (USA):</i></p> <p>Supporting People with Complex Behavioural Profiles: Integrating Neurosensory, Psychological, and Behavioural Methodologies to Support People, Not Just Their Behaviours</p>	
11.30 – 12.00		<p><i>BN Raveesh (India):</i></p> <p>Forensic services in India</p>			
12.00 – 12.30		<p><i>Peter Lepping, Srinivas Lanka, Murali Krishna, BN Raveesh, Stephen Stanaway & Jim Turner (UK/India):</i></p> <p>Prevalence of patient and visitor violence (PVV) in medical settings in India and North Wales</p>			
12.30 – 13.30	Lunch (Banquet Room)				

Parallel Session 8 Room	Auditorium	Van der Goes	Hubert van Eyck	Jan van Eyck	Baekeland 1
Theme	Various themes <i>Chair: Wim Janssen</i>	Specific populations: intellectual disability <i>Chair: Bart Thomas</i>	New directions: risk assessment – prevention & protective factors <i>Chair: Merete Berg Nesset</i>		Workshop
13.30 – 14.00	<i>Ove Lintvedt (Norway):</i> The feasibility of implementing Internet-based interventions for psychosis, violence risk assessment, and anger management within mental health services	<i>"Maartje Knotter, Inge Wissink, Xavier Moonen, Geert Jan Stams & Gerard Jansen (Netherlands):</i> The relation between staff attitude towards aggression of clients with intellectual disabilities and the applied interventions in different working contexts	<i>Charlotte Pollak, Christina Holmén & Tom Palmstierna (Sweden):</i> Using the checklist 'V-RISK-10' to identify future risk of violence in both psychiatric and dependency disorders emergency units		<i>Jan Boogaarts & Bas van Raaij (Netherlands):</i> Interaction Skills Training (IST): Improving the efficacy of interaction and cooperation under non-cooperative circumstances
14.00 – 14.30	<i>Wim Janssen (Netherlands):</i> International seclusion figures, literature and conditions for international comparisons	<i>Claudia Pouls & Inge Jeandarme (Belgium):</i> Institutional aggression in intellectually disabled (ID) offenders: an analyses of 5 specialized forensic ID projects	<i>Berry Penterman & Henk Nijman (Netherlands):</i> Assessing aggression risks in patients of the ambulatory mental health crisis team		
14.30 – 15.00		<i>Paul Withers, Simon Crowther, Diane Sharples & Paula Capewell (UK):</i> A community groups approach to managing interpersonal violence in an intellectual disabilities service			
15.00 – 15.30	Break				

Parallel Session 8 Room	Baekeland 2	Baekeland 3	Bauwens	Guislain	
Theme	Workshop	Workshop	Workshop	Workshop	
13.30 – 14.00	<p><i>Klaus Drieschner (Netherlands):</i> Routine recording of inpatient aggression: challenges, solutions, and long-term experiences</p>	<p><i>Hella Demunter, Chris Bervoets, Jürgen de Fruyt, Andy Dewitte, Koen Titeca & Joris Vandenberghe (Belgium):</i> Emergency doctors and psychiatrists in acute agitation: birds of a feather ?</p>	<p><i>Erick Noorthoorn, C. Bervoets, L. Goderis & J.
